Greetings from E-Cell IIT Roorkee

Hey there, fellow trailblazers!
Are you a tech whiz or a design wizard? If so, we want YOU on our team! At E-Cell, we know that tech and design are
the backbone of our organization. As a core member, you won't just be tackling the development or design
components, but also crafting innovative solutions for a plethora of exciting new ideas each year. If you're a creative
visionary who loves brainstorming new designs and whipping up solutions for new ideas, then we invite you to submit
your entry via our notion link. We can't wait to check out your inventive solutions to the E-Cell problem statement.
